

IMAGINE A HEALTH CAREER WITH REAL MEANING

Urgent – Doctor required

Would you, or someone you know, like a position where you can make a real difference to the lives of people in Northern Vanuatu?

Churches of Christ Medical Santo urgently requires a doctor for its Luganville clinic.

About the role

Medical Santo provides health services to the local community, expatriates and tourists.

Working with and for the local ni-Vanuatu people and within their culture, we seek a doctor to respond to a wide variety of medical conditions. The doctor's responsibilities will include, but are not limited to:

- Day-to-day clinical services, governance and continued development of the Medical Santo clinic.
- Supporting the Service Manager in managing and coordinating medical and allied health staff, including specialist clinics and rural outreach visits.
- Mentor and maintain relationships with the local hospital and rural health staff.
- Supervising clinical staff and developing, directing, supporting, and performance managing medical practitioners and students.

We will provide subsidised accommodation and relocation assistance. The remuneration package for this position is circa \$60,000 per annum.

About you

We are seeking a Medical Practitioner registered in Australia, New Zealand or equivalent, with developing country, acute or emergency, remote area or foreign aid experience.

With an active faith exemplifying a Christian lifestyle, you will live and work in accordance with your Christian values and will be happy to engage with the local church community. You will also be able to work within the mission and values of Churches of Christ in Queensland and Medical Santo.

For more information, please view the Position Description at www.imagineyourcareer.com.au.

If you, or someone you know, have the right combination of clinical and leadership experience, and are looking to work in a new culture, we would love to talk with you, contact 0407 723 685 or info@medicalsanto.com.

MORE INFORMATION

The role is based in Luganville, Vanuatu and reports to the Executive Manager of Medical Santo. To view the position description and selection criteria for this role go to www.imagineyourcareer.com.au and to learn more about Medical Santo, go to: medicalsanto.com

There are few medical positions that offer the clinical variety this position will. Away from work, there is also so much to explore around Vanuatu. Whether it's hiking through the wilderness, coastal activities along the beautiful beaches or exploring the amazing culture of the ni-Vanuatu community, you may never want to leave.

Medical Santo provides assessment and treatment for general medical conditions in our Luganville clinic. We also provide relief, support and monitoring for patients presenting with serious illness and facilitate further medical treatment or evacuation if required.
